

gxx::log::target

```
graph BT; A[gxx::log::target] <--> B[gxx::log::stdout_target];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'gxx::log::target'. The bottom box is gray with a black border and contains the text 'gxx::log::stdout_target'. Two blue curved arrows point from the top of the gray box to the bottom of the white box, indicating a bidirectional relationship or dependency.

gxx::log::stdout_target
