

true_type

Args< T, Args >

The diagram illustrates a relationship between two types. At the bottom is a gray rectangular box with a black border containing the text 'Args< T, Args >'. At the top is a white rectangular box with a gray border containing the text 'true_type'. Two dark blue curved arrows originate from the top edge of the bottom box and point upwards to the bottom edge of the top box, indicating that 'Args< T, Args >' inherits from or is a specialization of 'true_type'.
