

gxx::io::format\_writer

```
graph BT; A[gxx::io::format_stream_writer] --> B[gxx::io::format_writer];
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'gxx::io::format\_stream\_writer'. Two blue arrows point upwards from this box to a white box at the top labeled 'gxx::io::format\_writer', indicating that 'gxx::io::format\_stream\_writer' inherits from 'gxx::io::format\_writer'.
